

Pixie WashXB

280W single lens RGB and warm white moving wash luminaire

ORDER CODE: **PIXIEWASHXB**

Pixie WashXB reinvents the concept of the moving LED wash light, bringing together the classic styling of a traditional wash luminaire and applying the very latest innovations in the field of LED technology. The large frontal plano-convex lens delivers a stunning level of brightness and an exceptional zoom range with a 1:8 ratio, combined with a proprietary 280W RGB and warm white LED module delivering a high-quality white reproduction with high CRI and TLCI parameters as well as an extremely precise colour tuning. **Pixie** WashXB is an ideal solution for any application where users want a superior light quality but without the view of multi-cell fixtures.
