

CRMX Upgrade Installation

Note: before start check that Bluetooth on W-DMX device is enabled (check on user manual how do this).

Note: Be sure to have the voucher code you should have received with the order

<p>1 Download app W-DMX CONFIGURATOR from app store</p>	<p>2 Create an account</p>	<p>3 Connect to device</p>
		
<p>4 In SETTINGS go in INSTALL OPTION</p>	<p>5 Copy the voucher code</p>	<p>6 Check that CRMX option is now available</p>
